My ID was misused: the free steps

Last checked: 3 Nov 2026. Portals and rules change, so check each link before you act.

A loan, a SIM or a card is in your name and you never took it. Someone used your Aadhaar or PAN. It is not your debt until you say so in writing, and the steps below are how you say it.

Step 1. Report it today

- Lost money in a fraud? Call **1930** (the national cybercrime helpline) as soon as you can. Fast reports give the best chance of holding money that has not left the receiving account.
- No money lost, but a loan or account is in your name? File on **cybercrime.gov.in**. Pick the financial fraud or other cybercrime option and describe what happened. Write down the acknowledgement number you get.
- Also ask your local police station (cyber cell if there is one) to take your complaint, or an FIR. Keep the copy or receipt.

Paid kit letter 7 has the text to paste into the portal.

Step 2. See which SIMs are on your Aadhaar

1. Open **sancharsaathi.gov.in** and choose "Know Your Mobile Connections" (TAFCOP). Direct link: tafcop.sancharsaathi.gov.in.
2. Enter your mobile number and the OTP.
3. You will see every connection issued on your ID. Mark each one that is not yours as "This is not my number" and press Report.
4. Reported numbers are sent for re-verification. Sanchar Saathi says outgoing service can stop within 30 days, incoming within 45 days, and a number that fails re-verification is disconnected within 60 days.

A SIM you did not buy is often how a fraud loan gets its OTPs. Report it even if you see no loan yet.

Step 3. Pull your free credit reports and turn on alerts

- RBI requires each credit bureau to give you one full credit report free every calendar year (January to December). There are four bureaus, so you can pull four reports. Use the free-report link on each home page:
  - CIBIL: cibil.com
  - Experian: experian.in
  - Equifax: equifax.co.in
  - CRIF High Mark: crifhighmark.com
- Look for any loan, card or enquiry you do not know. Save the report as PDF. Note the report number at the top (Experian calls it the ERN).
- RBI circular 2023-24/73 (26 Oct 2023) tells lenders to send you an SMS or email when they report a default or days-past-due to a bureau, and tells bureaus to send an SMS or email

when your report is accessed. It works only where the bureau or lender has your mobile number or email. So check that your current number and email are on your bureau profile.

Step 4. Check and lock your Aadhaar

UIDAI lets you see who used your Aadhaar to verify you, and lock your fingerprint, iris and face from being used.

1. **Authentication history.** On UIDAI's myAadhaar site or in the mAadhaar app, log in with your Aadhaar number (or VID) and the OTP on your registered mobile. Open "Authentication History". It shows the last six months: date, time, the company that asked, and whether it passed.
2. **Unknown entry?** Write to the company that asked (it is named in the entry). Also report it to UIDAI at help@uidai.gov.in or 1947.
3. **Lock biometrics.** In the mAadhaar app or on myAadhaar, turn on "Lock biometrics". Fingerprint, iris and face checks then fail. OTP checks still work. You can unlock for a short time when you need to.

Your registered mobile number must work, or you cannot log in.

Step 5. Write, wait 30 days, escalate

The paid kit has the letters. In this order:

1. Letter 1 to the lender or NBFC that gave the loan. Letter 2 asks for the KYC record they used.
2. Letters 3 to 6, one to each bureau: CIBIL, Experian, Equifax, CRIF High Mark. Each marks the account "not mine / identity theft".
3. Wait 30 days. Lenders and bureaus are expected to answer a credit-report complaint within 30 days. Under RBI's compensation framework (circular 2023-24/72), a complaint about credit information that is not resolved in 30 days earns the complainant Rs 100 for each day of delay.
4. No reply, or a reply that does not fix it? Letter 8 goes to the RBI Integrated Ombudsman at **cms.rbi.org.in** (toll-free 14448).

Keep every acknowledgement, email and call note. Letters 9 and 10 give you a timeline sheet and a checklist of documents to attach.

What the free steps cannot do

- They do not remove the loan or the bureau entry. Only the lender and the bureau can do that, and the letters push them to.
- They do not find the person who did it.
- Some lenders take longer than 30 days.

Letter 8. Escalation to the RBI Integrated Ombudsman

Use this only after you have complained to the lender (Letter 1) and 30 days passed with no reply, or the reply did not fix the problem. File on **cms.rbi.org.in** (RBI's complaint portal). RBI's toll-free number is 14448. You can also send it by email to crpc@rbi.org.in or by post to: Centralized Receipt and Processing Centre, Reserve Bank of India, Central Vista, Sector 17, Chandigarh - 160 017 (this address and email are from Equifax's grievance page, copied on 3 Nov 2026; check them on cms.rbi.org.in).

Time limit: under the Reserve Bank Integrated Ombudsman Scheme 2026 (in force from 1 July 2026) summaries say you should file within 90 days. Sources differ on when the 90 days start (from the end of the lender's 30 days, or from the lender's reply). File early. Check the scheme text on cms.rbi.org.in.

The same route works against a credit bureau that did not fix your dispute in 30 days. Name the bureau as the entity, and attach your bureau dispute letter and its reply.

Fill every [bracket]. Delete this box before sending.
